

November, 2022

Dear Parent/Guardian,

Merri River School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years.

Parent/Carers voluntary contributions make significant difference to the quality of our programs.

*Merri River School* is endorsed as a Deductible Gift Recipient under the *Income Tax Assessment Act 1997* with the result that any donations made by you will be tax deductible. To be tax deductible, your donation needs to be made voluntarily. We have suggested an amount to be contributed under "Curriculum Contributions" and "Other Contributions" below, but please feel free to contribute an alternative amount. Amounts paid under "Extra-Curricular Items and Activities" are not donations and are not tax deductible.

This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2022 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Developmental Curriculum, Humanities and PE;
- Maintain and develop the school grounds;
- Ensure the upkeep of our computer devices to enhance learning opportunities;
- Maintain sufficient class sets of books for students to develop their reading skills;
- Provide hands on equipment i.e- measuring materials for teaching purposes;
- Facilitate Literacy and Mathematics online digital subscriptions;
- Deliver a range of sporting equipment and access to sporting facilities
- Arrange for individual student supplies and class bulk supplies;
- Offer effective First Aid for all students;
- Run specialised school programs such as Hands on Learning, Connect, Woodwork and Food For Life that would otherwise be impossible to run;

## Parent Payments Requests

**Schools can request contributions from parents under three categories:-**

**Curriculum Contributions** (previously known as Essential Student Learning Items) support items and activities that help deliver fundamental curriculum or subject learning  
e.g. General classroom materials and equipment

**Other Contributions** support the school's operation and function more generally  
e.g. Parent communication tools and school building enhancements

Payments for **Extra-Curricular Items and Activities** provide for items and activities over and above what is needed to deliver fundamental curriculum learning. These *user-pays* contributions enhance the schooling experience for students  
e.g. Optional camps, excursions and events
